

LEDCOR INDUSTRIAL

OUR VISION

To operate as a team-based organization that regards everyone we work with as a partner, while being a leader focused on safety, quality, integrity and success.

OUR VALUES

A culture of teamwork where people support and respect one another, and build long-term relationships with safety, quality, integrity, and success as core values in every aspect of our business.

Safety	Zero accidents through best practices
Quality	Continuous measurements and improvement
Integrity	Ethical, honest, consistent, highly regarded
Success	Client and employee satisfaction, shareholder value

OUR MISSION

Generate new and repeat industrial construction services business and relationships.

Don Breen, President
